

David González Nuez

Administration & Finance Student | Customer-Facing Experience | AI & Process Automation Enthusiast

✉ davidgnjunior@gmail.com ☎ 611411804 📍 Teror, España

Resumen

Motivated Administration and Finance student with hands-on customer service experience in international, English-speaking environments and a strong aptitude for technology and business digitalization. Proficient in Microsoft 365, Google Workspace, and AI tools, with genuine interest in fintech and data-driven process improvement. Looking to bring organizational skills and a client-oriented mindset to a merchant-facing role at a global payments company.

Experiencia

Waiter / Cashier / Host

Jun 2021 – Jul 2021 (and prior experience)

Hospitality roles (incl. The Fallow, Ireland)

- Delivered customer service in English in an international setting, managing orders and client interactions simultaneously under high-volume conditions
- Operated cash register and point-of-sale systems, ensuring accuracy in payment handling and end-of-shift reconciliation
- Welcomed and coordinated guest flow as host, liaising with floor and kitchen teams to optimize the customer experience
- Collaborated in fast-paced team environments, helping distribute tasks and maintain service quality across shifts
